Music Teacher

Franklin Elliott has a wealth of experience working with musicians of all ages. From college aged performers in theme parks, to serving as a substitute teacher, his understanding of directing ensembles and teaching private music lessons is extensive. He works well with students to achieve goals and present a quality performance. He pays close attention to details, student needs and wants, and is highly organized. Professionalism, punctuality, and creativity show in his work. Franklin Elliott is more than just a teacher, he is a role model to which students respond favorably.
